

## The Brigantia Code of Ethics and Professional Conduct

**Members of Brigantia are expected to maintain ethical standards of professional conduct at all times.**

**Members must conduct all business in a fair, honest and ethical way.**

**Members must honour all property rights including copyrights and patents.**

**Members must respect the privacy of others.**

**Members must honour confidentiality.**

**Any violation of this simple code is inconsistent with membership of Brigantia.**

**Brigantia strongly supports the work of the following independent trade associations and recommends membership to all Brigantia members.**

*The Independent Trade association  
of Computing Specialists (ITACS)*  
[www.itacs.org.uk](http://www.itacs.org.uk)

*The National Association of Specialist  
Computer Retailers (NASCR)*  
[www.nascr.org](http://www.nascr.org)
